

COUNTY OF YORK

MEMORANDUM

DATE: May 25, 2006 (BOS Mtg. 6/6/06)

TO: York County Board of Supervisors

FROM: James McReynolds, County Administrator 

SUBJECT: Public Sewer Extension Agreement—Shallow Marsh

F. Craig Read and Debra A. Read, developers of the proposed development known as Shallow Marsh, have requested authorization of a Public Sewer Extension Agreement as required by Section 18.1-53(b) of the York County Code. Shallow Marsh will be built on two parcels consisting of 14.23 acres off of Calthrop Neck Road, and is to be developed into six residential lots.

To provide sanitary sewer service to the proposed development, the developer will be required to extend vacuum sewer from existing County facilities to serve the six new lots. Sufficient capacity exists in the sanitary sewer collection system to support the proposed development. In accordance with Section 18.1-64(a) of the County Code, the connection fee for this proposed development is \$34,800.

In accordance with County Code Section 18.1-53(b), sewer extension agreements for more than three connections must be approved by the Board. Additionally, state law requires that the developer “appear” before the Board of Supervisors and inform them of their desire to connect to sewer facilities of the County for more than three connections. Presentations of the attached materials on behalf of the developer meets the requirement that they appear before the Board.

It is recommended that the execution of a Public Sewer Extension Agreement for the subject project be authorized through the adoption of proposed Resolution R06-77.
